

The Rhode Island and Miriam Hospitals, academic hospitals affiliated with The Warren Alpert Medical School of Brown University, are seeking an Infectious Diseases physician to join the Department of Medicine, Division of Infectious Diseases. The successful candidate must qualify for a full-time medical faculty position at the rank of Assistant Professor in the Department of Medicine at The Warren Alpert Medical School of Brown University. Minimum requirements include: board eligibility in infectious disease (board certification preferred), strong clinical background and excellence in patient care and teaching, and a commitment to scholarly participation in the research programs of The Warren Alpert Medical School. Preference will be given to applicants with a funded or favorably scored K award application. The Rhode Island and Miriam Hospitals is an EEO/AA employer and encourages applications from minorities, and women. Review of applications will begin immediately and will continue until the position is filled or the search is closed. Please apply online at <http://apply.interfolio.com/61661>. The letter of interest may be addressed to Karen Tashima, MD, Search Committee Chair.
